

DISCLAIMER

I understand that participating in any type of energy medicine session (ie: Reiki, Electromagnetic Field Consultation) is a simple, gentle, hands-on technique used for stress reduction, relaxation, and wellness.

During this session, I give the Practitioner permission to use hands-on techniques with the incorporation of crystals. I understand that I may freely voice any concerns or discomfort to the Practitioner at any point during the session, as well as the right to discontinue the hands-on techniques or the session in its entirety.

I understand that the Practitioner does not: treat any existing medical conditions, diagnose any potential medical conditions, nor interfere with the treatment of a licensed medical professional. I understand that Reiki does not take the place of professional medical care, and it is recommended that I seek a licensed physician for any health or psychological symptoms I may be experiencing.

I understand that energy medicine can complement any current medical or psychological care that I may be receiving.

I have read the Disclaimer and willingly agree to participate in the session.
